**The Wedding Guide team are all lovely, friendly, helpful and supportive.** After meeting one of the team at a wedding fair we found out about the North of England Wedding Awards (for outstanding customer service) which we entered and won in 2015, since then our relationship has grown with The Wedding Guide and we now attend regular networking meetings and advertise in their magazine. We also submit articles for the magazines and are guest bloggers every month for The Wedding Guide website. These are just two of the many opportunities The Wedding Guide give to their members. With the encouragement and opportunities we have been given from The Wedding Guide we have increased our wedding bookings and also our network of wedding suppliers which in turn has also helped increase our wedding bookings too. I would and have recommended joining The Wedding Guide to many wedding related businesses. Thank you again to Liz, Judy, Nicky and the rest of The Wedding Guide team.

**When I got married in September of last year I used the Wedding Guide for loads of ideas and tips.** My sister also used the Guide to help plan her whole wedding the year before. There were articles and features that I had never even thought of and some fabulous businesses in there also. The wedding guide is a definite MUST for all brides looking to get married, whether for the first time or a second wedding. Liz is such a lovely lady and so kind, generous and helpful and genuinely cares about all the lovely brides as well as her advertisers, you really couldn't be in better hands. Thank you Liz.

**Liz was one of the first people who welcomed me into the wedding industry with open arms.** Always so warm and welcoming, I share her passion to remove the cliques often seen in the sector, collaborate and work together and will continue to be a great supporter of such a fabulous lady, magazine and business.
